DEREK STANDRIDGE PGA, HEAD GOLF PROFESSIONAL

We are excited to once again host The Fresno State Women's Golf Invitational this month here at Copper River. The Tournament will be held March 7th & 8th, with a practice round on March 6th. To accommodate our members on the 6th, we will have an 8am shotgun start for all play. Don't miss a great opportunity to see some of the best collegiate women players on our home course. The Fresno State team appreciates your support!

A couple of events this month I want to mention. The Ladies Medallion scheduled on March 12th will also include "Beat the Pro". All participating players whose net score is lower than the gross total score of the pros will receive an extra gift. To help us in making groups for this event, please sign up no later than Friday March 11th at noon. Friday, March 25th we will host a Nike Demo Day from 9am to 2 pm. Come check out the latest from Nike.

All of our Country Club, Golf, and Senior members pay a \$10.00 per month practice facility fee. This fee includes unlimited use of range balls and practice facilities for all members and dependants listed on their account. Beginning this month all accompanied guests who do not play, and just use the practice facilities, will be charged a daily practice fee. The fee will be \$5.00. If the guest plays the course on that day and has paid the applicable guest fee, they will not be subject to the practice fee. We kindly ask for all members to check in their guests, whether playing or just using the practice facilities. Thank you.

Also as a friendly reminder to all Tennis, Fitness, and Clubhouse members, the golf facility is available for you to play Tuesday, Wednesday, Thursday anytime, and Sundays after 1pm. These members are allotted six golf rounds per calendar year. The practice facility can be used before a scheduled golf round. If you choose to use the practice facility on a day you are not scheduled to play, one of your six scheduled golf rounds will be applied.

Finally, we have had a few title changes in the golf shop. My new title will be Head Golf Professional. Caleb Parmenter will have the title of 1st assistant Golf Professional and Todd Hansen will have the well-deserved and long overdue title of General Manager.

Have a great month

NEW UPCOMING GOLF EVENTS

The First Annual Copper River Cup event will be held April 30 and May 1. This will be a Ryder Cup style event featuring two, 12-man teams. Both events will be four-ball/foursome matches played on Saturday and single matches on Sunday. The 2010 Club Championship finalists, Dennis Jones and Gordon Lazarus, will be the team captains and will select their teams from the sign up list. This event will be played at scratch and from the Black Tees. The winners will receive the new trophy with all members' names engraved for posterity.

Summer Team Play Matches will be available for Thursday and Saturday teams and will play home-and-home matches with three other clubs in the surrounding area. The matches are played at full handicaps and have both a singles and team component. Todd Bauer will be the Saturday Team Captain and Dennis Jones the Thursday Team Captain. If you are interested in playing please contact the Pro Shop or either of the Captains. These matches will begin in June and are great for meeting other players and enjoying different clubs. Plus, as an added bonus, we will have an end-of-the-year event with a friendly competition between both teams. We would love to have you join us.
