### **Program Details:**

Students will learn basics of the forehand, backhand, volley and serve fundamentals. Along with basic footwork techniques and scoring. Our program will offer step by step progression to learning the sport of tennis.

### **Staff:**

**Sadhaf Pucher** has 18 years of experience developing junior, collegiate and pro tennis players.

She has been either a head or assistant coach at The Ohio State University, University of Nebraska, Princeton University, Drake University and Southern Utah University. All nationally ranked collegiate programs.

**Steve Loop**, former Fresno State assistant men's tennis coach, will also be running our 559 Tennis kids' program. He has spent the last six seasons at Fresno State, as an assistant coach on the men's tennis staff. Prior to Fresno State, he was the men's tennis head coach at Fresno City College.

**Andy Vang**, former Fresno Pacific women's tennis assistant will be leading our junior program. Vang was also, an assistant men's tennis coach at American River College. He is currently hosting UTR junior tennis tournaments around Fresno.

**Tati Ruiz** will be assisting this holiday season. She currently is the Fresno Pacific women's tennis coach.
