MORE DETAILS ON PAGE 7
Dear Members,

We had our usual brutal summer heat attack the course again this year, but our wonderful course grounds crew was able to prevent much damage. In order to maintain the pristine condition of the greens, it is once again time to aerify. The fact that aerification is an inconvenience to members does not escape us; however, it is necessary to keep the greens healthy. It is a short-lived angst, so please bear with it.

The Alicante Men’s Invitational, including wonderful prizes, delicious food and beverages, exciting games and, of course, great golf is SOLD OUT! Thank you for your enthusiastic support of this popular event. If you missed out this year, please plan ahead for next year to ensure you and your golfing friend are included.

The Parent/Child Tournament was well-attended and tons of fun. It warms one’s heart to see the youngsters out on the course with their special adults adhering to the rules of golf, etiquette and good golf techniques. S1681

Congratulations to our Men’s NCGA Team Play (Thursday Team) as they have advanced to the playoffs for the first time in Copper River history! They finished the season with a 4-2 record, capped off by a huge win at home against Kings C.C. to earn their spot in the playoffs. Great playing and good luck in the playoffs gentlemen!

The Ladies Team Play just kicked-off and both our ‘A’ and ‘B’ teams are looking forward to a great season! We are extremely fortunate to have such enthusiastic and great golfers here at Copper River. Good luck ladies!

The Thursday night dinners continue to be popular. Meet our new Executive Chef, Ray Rosales, at our upcoming Wine Tasting dinner. Ray may be new to Copper River, but he joins us with many talents and years of experience. Don’t miss this opportunity to meet him personally. Be sure to make your reservations so we can prepare properly, and you do not miss out on these delectable dinners.

Status of Improvements: Completed: All members should be in possession of their gate access cards. If you do not have your card or need information, please call the Golf Shop immediately. The pool, spa and kiddie pools have been resurfaced and retiled with a new efficient filtration system. The front nine bunker project is finished. The new practice target greens facility is complete. The golf bag drop area is open and available for use by approaching golfers. In Progress: The back nine bunker project is underway.

Children are back in school with new beginnings and exciting adventures. In that spirit, try something new here at the Club that you haven’t tried before. It might be fun or enlightening.

Have a wonderful September!

Our Todd Hansen, PGA General Manager
Dear Tennis Friends,

**USTA North vs South Sept 29-30:** Copper River Tennis will once again be host to USTA’s North vs South Senior Men’s Challenge. This Competition started in 1986 with Men competing as a team in the 65, 70, 75, 80, 85, and 90 age divisions. Come out and watch some first-class tennis as these athletes prove age is just a number.

Finally, we’d like to thank everyone who came out to participate in our first-ever Pickle Ball Mixer! It was an extremely successful event in which we saw a lot of new faces enjoying our wonderful tennis facilities. If you didn’t have the chance to join us, please keep an eye out for information on the next mixer.

**U.S. Amateur Competitor & Member at Copper River C.C. Blake Hathcoat**

Blake Hathcoat is a Member at Copper River and ranked 590\(^{th}\) out of 6400 amateurs in the world rankings. Blake just finished playing this past month in the U.S. Amateur Championship contested at Pinehurst in North Carolina. The U.S. Amateur Championship is a very elite tournament with past winners like Viktor Hovland, Bryson DeChambeau, Peter Uihlein, Matt Kuchar, Tiger Woods, Phil Mickelson, and Jack Nicklaus. Blake qualified for the Championship by locally qualifying at Kings C.C. on July 22\(^{nd}\) with the 36-hole low score of 133. Blake then headed to Pinehurst for the stroke play qualifying part of the tournament. Through 36 holes, Blake shot scores of 71 – 72 for a total of 143 which was good enough to be tied for 28\(^{th}\) and would qualify him for the Match play Round of 64. In his first match, Blake played Henry Shimp who is ranked 279\(^{th}\) in the amateur world rankings. Blake would go on to win his first match 1up and move on to the round of 32. In the second round of match play, Blake played Cooper Dossey from Baylor University and ranked 93\(^{rd}\) in the amateur world rankings. This was a little tougher match that took more than 18 holes. Blake would go on to eventually win the match 1up through 20 holes. Winning the match moved Blake into the Round of 16. The Round of 16 would be as far as Blake would go in the tournament. His competitor in the Round of 16 would go on to be the overall champion of the tournament, Andy Ogletree, who is ranked 120\(^{th}\) in the world amateur rankings. Blake had a great tournament and everyone here at Copper River is very proud of his performance and wishes him the best of luck in his future!

Congratulations to the following members: **Walt Mueller** – Hole-In-One on #8, July 23\(^{rd}\) & **Bud Vickers** – Shot his age (73) on August 10\(^{th}\). Great playing!

It's officially back to school, a time of year where we get back into the swing of things and busier. Did you know that this also marks the time of year which people also fall completely off the fitness “bandwagon”? Studies have shown that from September until the New Year, people traditionally become the most sedentary. Let’s change that! The weather will start to cool off and the mornings will become a perfect time to get outside to enjoy some outdoor activities. All it takes is at least 30-minutes of moving a day to start seeing results. Remember that your health and wellness is worth it, so make it fun. If you are having trouble getting motivated, we can help! At Copper River Country Club, we offer a variety of different workout classes daily to suit your needs. Our highly trained staff offers classes such as: Indoor Cycling, Pilates, Yoga, Strength & Conditioning, and HIIT Conditioning. There is something for everyone. We challenge you to become the better, healthier you.

If something one-on-one is more your style, we can accommodate your needs. Our Head Fitness Trainer, Aaron Quick, is highly trained to meet your fitness/health goals. He offers dietary recommendations, meal planning, and personal training tailored to you. Contact him at 476-3019 or at aarong@copperrivercountryclub.com with any questions.
